December 2020

The Festive Season has arrived

This time of year is difficult for many and this year will bring even more challenges. Some people will be able to celebrate with family and friends. Others will be alone.

The Day Centre team will go all out to bring you all some joy. Of course the only gift many of us want is the gift of a vaccine. In the meantime everyone at the Day Centre wish you, your families and friends a healthy Christmas and New Year with a sprinkle of hope, love and joy.

The Rotary Club of North Berwick donates 6 tablets

Thank you to the Rotary club for their kindness.

Day Centre musicians recorded a mini concert which was down loaded on to the tablet.

The cd, Just Sing, that North Berwick and Dunbar Day Centres wrote and recorded have also been downloaded.

These tablets can be also be used for video calls if the member has internet access.

Thanksgiving

It may be mainly an American celebration, but that didn't stop the Day Centre team from making it a bit special. Jean, our in-house artist, painted a beautiful autumn picture which was turned in to a greetings card for members. The bakers too kept to the theme with pumpkin and pecan muffins.

St Andrew's Day

The team pulled out all the stops to help celebrate St Andrew's Day.

John made bramble jelly. Joy designed a label for the jars.

Tartan covers finished off the look.

Linda made some fabulous cupcakes with Saltire icing.

Postcards, designed and printed by East Lothian artists were part of the St Andrew's day package.

Shonach took the time to write a Robbie Burns poem, Tae a Thistle, on the back of all the postcards.

These lovely touches all say 'we miss you and we care about you'.
