Vaccine Roll Out

So good to be able to report that all staff have now had their vaccinations. Many of our readers will also have been given the first jag. Hopefully it won't be long before all our members will have been vaccinated. This really has given us a shot in the arm.

We must still follow the rules, but can hope this is the start of a brighter future.

New Year Cards

What a lovely surprise.

Members and volunteers all received this beautiful card.

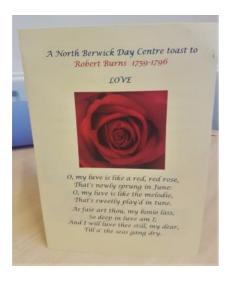

The picture was designed and painted by Joy.

It certainly brought plenty of joy.

Small things with huge impact.

Burns Night

Robert Burns is usually celebrated in real style at the Day Centre. Music, decorations, dressing up and of course piping the haggis. Sadly not to be this year. As ever though the team came up with some ideas to lift the spirits.

Paul designed a Burns leaflet with a few poems and pictures. Shown on the right is one of the shortbread biscuits with tartan topping.

Carol hand made a vast amount of broaches. All made from tweed material.

Vee (left) and Mary showing off their broaches and their wonderful smiles. Very glamourous, especially as the colour of the broaches compliment their outfits.

Bulb Growing Competition

A few members have been growing bulbs. Joy grew the amaryllis above. Sarah on the right said she got so much joy from nurturing her bulb with cold tea and a chat.

Don't fob us off

Thank you to Shonach for arranging the gift of a key ring for everyone. These were bought totally plain and then hand decorated and personalised by Shonach and Jean. Pretty and practical.

Tablets (not the kind in a bottle)

The Rotary Club of North Berwick donated a couple of tablets to the Day Centre. These have been a big success and made a huge difference to daily life. Below is Jim and Rosie. Rosie listens to music but also

Below is Jim and Rosie. Rosie listens to music but also enjoys her own time when Jim is watching footie on YouTube.
