New Year New Lockdown

I had hoped to be able to unreservedly wish you all a Happy New Year. Instead we are plunged into lockdown to try to help the NHS and save lives.

This edition will celebrate, as always, the amazing work of the Day Centre Team, volunteers and supporters. We also celebrate the resilience of members and thank them for continuing to smile through these times.

Festive Greetings

The staff, volunteers and other supporters, went all out to take some joy to members at home during Christmas time. You can see from these photographs that their efforts were amazing.
