Something to celebrate

The Rotary Club of North Berwick has presented the North Berwick Day Centre with a Rotary Community Service Award. This fantastic acknowledgement, is a tribute to all the people who make the Day Centre so special. From the Directors, Committee Members, Volunteers, Staff and of course all the members. Everyone has been doing their bit to keep spirits up. So three cheers for YOU!

Keep on cheering—passengers on the bus are set to double

Well OK that does only mean two members rather than one, but it is still fantastic news.

Passenger numbers on the bus are limited as they can only be offered under full Covid Restriction Guidelines. Thanks to improved driver protection being installed, passenger capacity can be increased.

And even more good news. Arrangements are being made with one or two local cafes to enable the bus passengers to have some refreshments.

Sunshine and sunflowers

On one of the bus trips John and Carol stopped off to pick sunflowers which were later delivered to members.

Thank you to Luffness Mains Farm for generously donating the sunflowers

Bus Trips

These trips are so popular and there are about four a day to a variety of locations, often holding special memories for our members. Sometimes it's to visit a place the member has never been to before.

Graham enjoyed his trip round the countryside. He saw the Bass Rock and knew he was nearly home

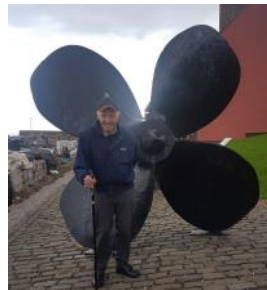

Margaret loved seeing the goats at Athelstaneford [sorry about the emergency exit sign]

Wanda down memory lane at Dirleton Primary School

John being propelled into the lime light again

The Walled Garden at Archerfield is a regular stop for us. Kerry, is one of the gardeners and is always so welcoming and helpful.

the lunch bags contain lots
of goodies and a sprinkle
of love.

Lisa [left] missing you but
sending lots of smiles
