

VOLUNTEERING

AT NORTH BERWICK DAY CENTRE

I felt so welcomed and could be flexible about when I could come in. I look forward to being there every week

I feel valued. Always being told "we don't know what we'd do without you". I come home every week enthusing about the day.

It's a lively and good fun place to be

A lovely atmosphere – when I walked in I felt welcomed by staff and members

Being a volunteer has helped others and enriched my life too

Everyone is made to feel important and their opinion is valued

I would recommend volunteering at the Day Centre – it's not a huge commitment and I look forward to meeting the members and staff
