

North Berwick Day Centre

Newsletter Coronavirus Special Issue 3

June 2020

This month has seen the start of Phase 1 of Scotland's COVID-19 Routemap. Joyous for those who can play golf or meet family and friends in the park. For many others though it has made no difference and they soldier on as they have been doing in lockdown

The Day Centre team are as important as ever. They continue to deliver the lunch bags full of nutrition, treats, quizzes and flowers. All done with smiles and a chat to keep up the spirits.

Safety is the top priority and re-opening the centre is not yet safe. The staff and the management committee are actively looking at other options to offer more support to members.

Donna, who lives above the centre has been busy planting the tubs outside to ensure the building still looks loved. Thanks Donna it is such a kind gesture.

Thank you Law Primary Pupils

Pupils at Law Primary have been writing letters and drawing lovely pictures for our members. They have also been delighted to get some replies.

Edith with her picture and Newsletter

Ruth and Ian also loved the pictures

One pupil painted this gorgeous blue tit. Very special as we have our own Day Centre blue tit nest

Rock Art

Some members have been painting on small stones to pass on to other members as a reminder they are not forgotten.

Ronnie keeping busy doing a jig saw. He also does rock painting

It will take more than a virus to stop Sandra knitting the bobble hats

Claire, happy to chat

Lisa and Graham, left, and Sarah with their gifted Couriers

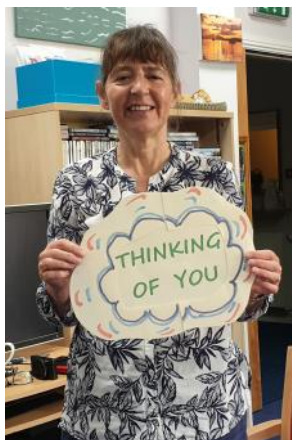

Mary enjoying the flowers

Message from Carol Wicker

Thank you to all our Volunteers without whom we could not operate. Just now some are baking and others are ringing members for a chat or even a sing song. You are all amazing.

Our members are also amazing and doing their best to stay as well and active as possible.

Carol on the left and Shonach holding up their messages to you all
