Important changes to the law on fire and smoke alarms

The change in the law is to keep people as safe as possible in the event of a fire. Hopefully everyone will be aware of the change and already have taken action.

If you are in Council, Housing Association or private rented accommodation it is the landlord's responsibility to comply.

For owner occupiers it is your own responsibility. Care and Repair East Lothian can offer advice 01620 828445.

If you are not sure talk to one of the Day Centre team and they will point you in the right direction.

Great to have a sing song again

Celebrating Burns on several days

The Day Centre team put on fantastic Burn's celebrations. Tartan, haggis and cranachan galore.

Cook, Rhona, bringing in the haggis to great applause. Followed by our very own Chieftain, also known as Paul the driver.

Paul's narration of Address to a Haggis was wonderful. Seen above with cook Jane.

Thank you Paul for bringing so much spirit and drama to the poem. Pauline and Isobel seem suitably impressed.

The cranachan was delicious.
Seen here enjoying the dish are,

On the right

everyone for

Australia Day

The Aussies love the Scots. They also have their own special celebrations on 26 January for Australia Day. The Day Centre likes to embrace different cultures so of course celebrated too.

Ready to celebrate. Top
Elsie and Frances and
bottom is Barbara.
We also had a fascinating
quiz about Australian
animals.

Aussies love a 'pav' as they call it. Our cooks did not let us down.
So scrumptious.
