An abundance of photographs

How lovely that I am now getting lots of photographs of activities, trips and events. A testament of better times, better weather but the same fantastic team and wonderful members.

As they say a picture is worth a thousand words. So there are millions of beautiful uplifting words in this edition.

Easter Celebrations

Our regular members, family, friends and readers will know, we love a celebration. We are completely inclusive and happy to celebrate any religious festival. Especially one involving cute animals and chocolate.

North Berwick Brownies gave us some of their home made cards and eggs. Frances (left) and Patsy (right)

On the right is Moira admiring the Easter tree

Hope you shared these eggs Bill

Other activities

Cameron came to pick up his Grandma, Jane. His extra cute friend is called Lily. As she is a non allergenic dog and all the members were keen to see her, she made a guest appearance.

Lily loved everyone. Here she is having a chat with Rena on the right .

Sybil, above, loved having cuddles with Lily. Mary in the back ground looks delighted too.

I don't think Lily is shy of people or the camera.

Out and about in the sunshine

Peter on the left, at the harbour and Margaret on the right outside the Seabird Centre with the tern.

Giggles of the month.
Wonder what Caroline and Margaret are chatting about?
